Appointment of officers in Kanyakumari district

* 229 Q.—Sri T. T. DANIEL : Will the Hon. the Chief Minister be pleased to state—

(a) the number of officers that were appointed in the Kanyakumari district from outside the district after integration;

(b) the number of Brahmins among them; and

(c) the necessity to appoint officers from outside the district?

The Hon. Sri C. SUBRAMANIAM : Sir, I have already answered this question.

(a) Eighteen Gazetted Officers and 81 Non-Gazetted Officers were appointed in the Kanyakumari district from outside the district.

(b) Six out of the 18 Gazetted Officers and 25 out of the 81 Non-Gazetted Officers are Brahmins.

(c) Appointment to Gazetted posts is made on a State-wide basis and cannot be limited to the district alone. As regards the non-gazetted posts, the services of experienced and trained officers were required to organize the newly-opened offices in the district and to attend to the work connected with the revision, modification, and adaptation of the laws and procedure in the transferred area so as to bring them in conformity with the pattern of administration in force in the rest of the Madras State. Hence some of the non-gazetted officers had necessarily to be recruited from outside the district by transfer.

Sri T. T. DANIEL : Sir, I did not mean that officers from outside the area should not be appointed or that the posts should be filled by the officers from within the district itself. But I would suggest to the Hon. Minister that the basis of the . . .

Mr. SPEAKER : During question-time the hon. Member cannot make a suggestion. He must put his question.

Sri T. T. DANIEL : Will the Hon. Minister be pleased to consider the desirability of either appointing the qualified persons, who are available within the district, in the vacancies as they arise or at least give them promotions and transfer them to places outside the district?

The Hon. Sri C. SUBRAMANIAM : This is only a temporary arrangement. It is not the intention of the Government that the transferees from other districts should get a permanent place here. So, as soon as they finish their work, they will be retransferred, and the persons who are already in the Kanyakumari district would not be affected in any way.

Scale of pay of Graduate teachers

* 230 Q.—Sri T. T. DANIEL : Will the Hon. the Minister for Finance be pleased to state the scale of pay of graduate teachers in the district board schools and those in the schools under private management in Kanyakumari district?

24th July 1957]

THE HON. SRI C. SUBRAMANIAM : The Government have no information. Particulars have been called for.

Scale of pay of Graduate trained teachers

* 231 *Q.*—SRI T. T. DANIEL : Will the Hon. the Minister for Finance be pleased to state the scale of pay of the Graduate trained teachers in the schools under private management in Kanyakumari district and those in district board schools?

THE HON. SRI C. SUBRAMANIAM : The particulars have been called for.

SRI T. S. RAMASWAMY PILLAI : I rise on a point of order, Sir. Sufficient notice has been given to the Government to collect this information. After all this question refers to the scale of pay of graduate teachers in the district board schools. This must be ready with the Government, because one month is over since notice of this question was given.

MR. SPEAKER : You cannot raise this question as a point of order. The question has been asked and the Minister has given the answer. If you are not satisfied, you have got other remedies to pursue. You cannot raise this as a point of order.

THE HON. SRI C. SUBRAMANIAM : I do agree that there has been considerable delay in getting the information called for. I have asked the department to be more prompt in future and get the information within ten days.

SRI M. JAGANNATHAN : When answer to a particular question is not available, what is the point in including that question in the agenda for the day?

MR. SPEAKER : It is the same point which Mr. Ramaswamy Pillai raised. I gave one month's time to the Government to answer the questions but if within that time the Minister is not able to answer the questions, what can I do?

SRI K. VINAYAKAM : I would like to know whether after the integration of the area with our State there are institutions there like district boards. If there are no such institutions, what is the type of institutions they have from which the Minister is trying to get the information?

THE HON. SRI C. SUBRAMANIAM : There are only Government schools and aided schools there. As far as Government schools are concerned, there is no difficulty. Only information from the aided schools is to be got.

MR. SPEAKER : As a matter of fact, I am in the same delicate position as my friend. I have not got all the answers myself. But since it is one month now, I thought I might include the questions in the list so that the Minister might give whatever answer he can.
